Dear Families of Kindergarten Students:

Welcome to Shannon Lake Elementary School. We are looking forward to working with our new students in September. There will be 3 kindergarten classes and one kindergarten/grade one combined class for the 2020/2021 school year. All of the classes offered will be full day classes.

All kindergarten students are introduced slowly to the classroom times and routines. Therefore, the classes have been divided into mini-sessions, which will be held during the first two weeks of school. The following information outlines the mini-sessions and the kindergarten schedule for the first weeks of school. If you have any questions or concerns, please feel free to call the school at 250-870-5132.
